**GIVE!**  
guide

# INCENTIVES

Give! — and Get! something in return. That's Give!Guide's secret sauce. If you're going to give up your hard-earned cash, you deserve something back, in addition to the emotional rewards of supporting one or more incredibly great causes. Here are this year's offerings:

## \$50-\$99.99

If you give this amount to one or more of the 79 nonprofits participating in this year's G!G, you'll receive a postcard containing eleven (11) coupons.
