

FEEL GOOD. DO GOOD. PLANT TREES.

FRIENDS *of* TREES

will plant a grove of young native trees in honor of

A special gift from

You are the recipient of a Gift Tree Grove from Friends of Trees

Are you sending me a grove of trees?

No, but this keepsake card is a reminder of this special gift.

Where do the trees get planted?

Friends of Trees' Green Space Program helps restore natural areas throughout the Portland, Oregon metro region. All Gift Trees are planted in these areas and they play a vital role in our work restoring sensitive natural areas that contribute to clean air and water, fight pollution, generate oxygen, provide habitat, and so much more.

What is Friends of Trees?

Friends of Trees is a nonprofit organization that inspires people to improve the world around them through a simple solution: Planting trees. Together.
